In a joint case, Debtor means Debtors in this plan.

Part 1. NOTICES

To Debtor: This form includes options that may be appropriate in some cases, but the presence of an option on the form does not indicate that the option is appropriate in your circumstances. You must provide for the treatment of all secured and priority unsecured claims in this plan. In addition, you must attach a liquidation analysis to this plan. A sample liquidation analysis is provided on the Bankruptcy Court website. <http://www.ndb.uscourts.gov>

To Creditors: Your rights may be affected by this plan. Your claim may be reduced, modified or eliminated. You should read this plan carefully and discuss it with your attorney if you retained one in this bankruptcy case. If you have not retained an attorney, you should consider consulting one.

If you oppose Debtor's treatment of your claim or any provision in this plan, you or your attorney must file an objection to plan confirmation before the deadline set by the Court. **The Bankruptcy Court may confirm this plan without further notice if no interested parties file objections to confirmation. See Local Rule 3015-2.**
